

Wheelbarrow

Mini Album

© 2013 Laura Denison

Attach Cover Chipboard and spine to patterned paper, allowing a 2 widths-of-the-chipboard gap at joint. Trim, allowing a 1/2" around perimeter of chipboard.

Trim at corners and wrap sides and end. Do not wrap at spine end, leaving it as a tab to attach to wheelbarrow.

Cover inside of cover with patterned paper.

Attach one side of accordion unit to cover, aligning base of sunburst with joint of cover.
