Pockets Assembly

Trim all 8 1/2" x 11" card stock sheets to 7" x 11". Score and fold 4 trimmed sheets at 1/2", 4", and 7 1/2". Fold in an accordion as shown.

Trim remaining 7" x 11" to 7" x 8". Score and fold at 1/2", 4", and 7 1/2". Fold as shown.

Attach all sections together with 1/2" tab from one section attaching to the non-tabbed end of next section. Attach shorter last section at end.

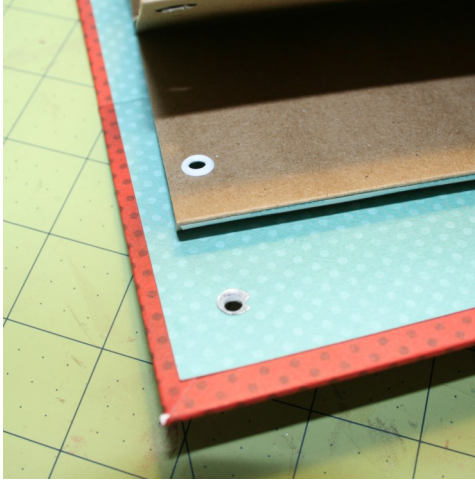

Punch holes and install optional eyelets to folded sections as shown. Holes should be punched 3/4" down from top edge fold and 1/2" in from side edge. Ends tabs should be folded down on finished pocket unit.

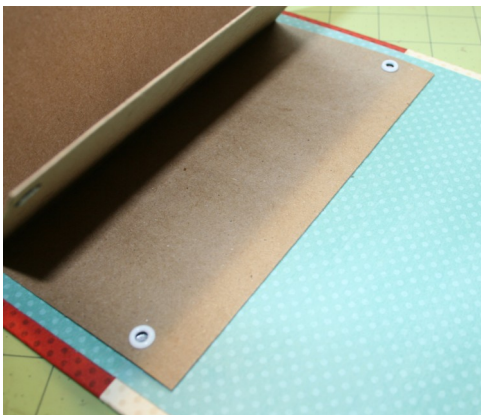

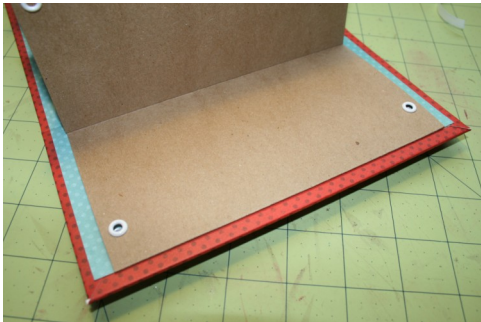

Punch holes and install optional eyelets to covered shipboard box body front and back. On Lower Front, punch holes 1" down from top edge and 1" in from side edge. Repeat on other side. On back, punch holes and install optional eyelets along paper seam line, 1" in from each side

To create recipe folders, score and fold the 6" x 12" cardstock at 3/4" from each end and at centerline (6" from ends)

Attach 3/4" folds to body of folder close to fold. Recipe cards slip under fold to hold in place.

Punch a 3/4" half circle in folded folder along fold-line. (Vary location of punched circle on fold-line).

Punch 1" circles of patterned paper. If using single sided paper, punch two circles and affix back to back.

Center and glue patterned paper circles to punched half circles at back.

Add a patterned paper photo matte to front of folders.

Place folders in pockets, two per pocket, for a total of 14 folders.
